2020 – present

01 · 2025 – PRESENT

1,700+

REGISTERED USERS

NoteSpark AI

notespark.id

Built and launched an **AI study companion** using **LLMs**, **Next.js**, **Go**, and **React Native**, reaching **1,700+ registered users** across web, iOS, and Android.

02 · 2024

FastPDF.net

fastpdf.net

Built a **WASM-based**, **fully client-side** PDF and file-conversion toolkit, keeping document processing entirely in the browser.

03 · 2020 – PRESENT

2+ years

IN CONTINUOUS USE

Medical SaaS

Built and maintained a **production SaaS platform** used continuously by a **medical clinic** for **2+ years**.
